

## BOATING TECHNOLOGY THURSDAY

**FEB. 21 | 3:00pm - 5:00pm**

**MARINEMAX CUMMING - 1860 Bald Ridge Marina**

Feel confident, comfortable and safe behind the helm by taking advantage of our Boating Technology class. This hands-on event will demonstrate various boat handling and navigational skills including the ins-and-outs of chart plotters, radar, fishfinders, autopilots and more. There will be a balance between dock time and water time as well. Space is limited. See your sales consultant or contact Beth Kendrick at 770-781-9370 to reserve your space.
